

INTERNATIONAL CONFERENCE
“Eco-Energies for Future Generations”

May 15 -18 , 2007

Northwest Agricultural and Forestry University, Yangling, China

Eurasia-Pacific Uninet is pleased to announce the opening of the “**Austria-China Research Centre for Environment Protection**” at Northwest A&F University in Yangling.

In the course of the opening, a conference in joint co-operation of Eurasia-Pacific Uninet, the University of Natural Resources and Applied Life Sciences, Vienna, as well as the Northwest Agricultural & Forestry University, Yangling, will be organized from May 15 – 18, 2007. The main focus of this conference will be on environmental topics such as:

- Biomass and Biofuel
- Hydro-Energy
- Wind-Energy
- Solar-Energy
- Socio-Economic and Political Issues

The aim of this conference is to present and discuss new technologies and solutions for sustainable development focused on renewable energies.

Interested research scientists of Member Institutions of Eurasia-Pacific Uninet are invited to participate in this conference. Proposal summaries (10 lines) for presentations shall be submitted **until March 14, 2007**. The travel and accommodation costs for speakers will be covered.

The tentative program and further details on this conference will be forwarded by mid March 2007.
