See source below.*

With the support of Austrian Consulate General in Hong Kong and Macau, the Faculty of Humanities earlier received the delegation from the Eurasia-Pacific Uninet (EPU) - the largest sovereign University network of its kind in Europe, establishing contacts and scientific partnerships with more than 150 members in Asia and the Pacific regions.

Also, the Faculty co-organized with EPU a high-level meeting on “Global Studies”. The discussion topics covered international system; its actors, components and development; cultural integration, transfer and interaction; insular studies; and modern environment and security challenges of urbanization.
